

April 16, 2015

Briefly Speaking

Well, It's Main Event time again! As you know, our Main Event will happen this coming Saturday, April 18.

While this amazing evening has become Moeller's single largest, event-based fundraising endeavor (specifically to assist those families who may not otherwise be able to give their son a chance to attend Moeller), a real attraction is that it is also one of our premier community building opportunities. This sense of community and "warmth of welcome" that permeates our environment is deliberate and does not just happen. Its foundation is deeply rooted in our Catholic and Marianist underpinnings, which enliven this "family spirit" and make Moeller unique. The success of real, genuine community relies upon the deliberate commitment every member of the Moeller family makes to engage in the hard work that it takes to build and to sustain that very community.

On behalf of all of the young men in our hallways every day, thanks for all your support, manifested in so many ways, and I hope to see you on Saturday evening!

Thank you,

Bill Hunt

Announcements

Main Event This Weekend

It's Not Too Late!
